

THE SUPREMACY OF THE SOON.—The tenth section of the supplementary bayonet election Act contains one of the most villainous assaults upon the elective franchise that has ever been cloaked under the forms of law. Any of the swarm of election hordes provided for by the Act may arrest, without warrant, and upon his own bare suspicion, any officer appointed by law to conduct an election, and take said officer forthwith to jail, even though his absence necessitates a closing of the polls. Referring to this, Senator Johnston, of Virginia, said in debate:

"That identical case occurred in the city of Richmond at the last election held in that city. While an election was progressing the officer who was conducting it was arrested by a United States officer, taken away from his post and carried before a United States Commissioner. The voting at that place was suspended for two hours, while this officer was being examined before the United States Commissioner for an alleged offense. When he was arrested he said: 'Here I am; I cannot get away; let me finish this election. I will give you any bail you choose for my appearance.' But the request was refused. The voting was stopped; the case was examined; and, when examined, it was found that there was no ground of complaint against him. He was tried and acquitted. The whole thing was nothing but a scheme to prevent voting in that particular ward, so as to prevent that ward from being counted in the election."

The Senator then moved to strike out the section authorizing such villainy, and by a vote of thirty-nine to thirteen the motion was rejected. Those voting to strike out were the Democratic Senators, with Mr. Trumbull and one or two others. Those favoring the retention of the fraud were:

Messrs. Abbott, Ames, Anthony, Boreman, Buckingham, Carpenter, Chandler, Cole, Conkling, Corbett, Crigin, Edmunds, Gilbert, Hamilton, of Texas, Harlan, Harris, Howard, Howe, Howell, McDonald, Morrill, of Vermont, Nye, Osborn, Pomeroy, Pool, Pratt, Ramsey, Revelt, Rice, Robertson, Sawyer, Sherman, Spencer, Stearns, Stewart, Thayer, Warner, Wilson and Yates—39.

Of these it will be seen that no fewer than nineteen are either carpet-bagmen, or the representatives of rotten boroughs, or Senators who have been expressly rebuked by Democratic victories in their several States. Without them there would have been no quorum, and consequently no vote; and had their places been filled by truly representative men, the proposition to strike out would have been carried by ten majority. As it is, the law stands that any jail-bird deputy in any city of 20,000 inhabitants in the United States may terminate the voting at the next Presidential election in any ward or precinct he may choose, at his own sweet will. All he has to do is to think the election judges ought to be arrested, and then carry them off to jail forthwith. His authority is "immediately, either at said place of registration or polling place, or elsewhere, and either before or after registering or voting, to arrest and take into custody, with or without process, any person who shall commit, or attempt or offer to commit, any of the acts or offenses prohibited by this act, or the act hereby amended, or who shall commit any offense against the laws of the United States."

SUMNER VS. GRANT.—Sumner declares indiscriminately to his visitors that Grant ought to be impeached and will be impeached, and a few nights since at a dinner, where were present the representatives of foreign governments, he met the mention of the President's name for re-nomination with a similar declaration, in language so strong that the whole table was startled. He is known to have filled his forthcoming speech with expressions towards the President of a disrespectful and insulting character, and these he has read to Senators and others who have called upon him.

INVIGORATE THE RESPONSIBLE ORGAN.—The stomach is the responsible organ of the system. If the digestion is imperfect, every member, every gland, every muscle, every nerve and fibre is more or less out of order. All the fluids are depraved. The brain is clouded. The spirits are depressed. All dyspeptics know this to be the truth. It is not, however, half the truth. Columns would be required to enumerate the pains and penalties of dyspepsia, nor could any pen do them justice. Tens of thousands feel them; no man can describe them.

Can they be prevented? Can they be relieved? Can they be banished at once and forever? Unquestionably they can. No dyspeptic has ever taken HOSTETTER'S STOMACH BITTERS in vain. Believe no one who says the complaint is incurable. This great vegetable stomachic will eradicate it—eradicating it in thousands of cases over which medical practitioners have shaken their heads ominously, saying, "Nothing can be done."

The faculty has its fallacies. One of them is, that indigestion is the most difficult of all the ordinary ailments of mankind to combat and subdue. This is a mistake. Nothing can be easier than to conquer it if the true specific be administered. The vegetable combination which has become famous throughout the civilized world as Hostetter's Stomach Bitters is an antidote to the disease which has never been known to fail, and for which it is everywhere procurable. If you wish to fool with the dyspepsia try the pharmacopoeia prescriptions. If you want to root it out and prevent its recurrence, take the Bitters daily. There is no discount on the testimony in its favor. If there is a man or woman who has ever tried it, or indigestion without being benefited, the fact is not transpired. Universal, uncontradicted praise avouches its wonderful tonic virtues. March 15

Good Health—Long Life.

THERE is a difference between good blood and bad blood—a difference of Life and Death. Bad blood is full of humors, producing corrupt Sores, Ulcers, Boils, Carbuncles, Skin Diseases. These are indications of a diseased condition of the system, and unless removed, will prey upon the body and make it a diseased and loathsome thing of flesh. Without pure blood no flesh is free from disease. The Pale and Shrunken Forms, Yellow Faces, Weak Stomachs, Diseased Livers, Crippled Nerves, Nervous Hypochondria, Dyspeptic Victims of Headache so common in this country, is owing entirely to the humors of the blood.

HEINITSH'S QUEEN'S DELIGHT is the only sure medicine. 20,000 bottles sold at home bespeak for it a popularity unexampled in the history of medicine. For purifying the blood and invigorating the Liver, no better or cheaper medicine has ever been discovered. Heinitsh's Queen's Delight is a Purifier of the Blood and an Invigorator of the Liver, two things essential in preserving Health and in curing Disease. It invigorates the Liver and cures all disorders of the Stomach and Bowels, purifies the Blood and repairs the waste of the Body, imparts Strength and gives Vigor to the diseased and enfeebled systems.

ALTERATIVE, ANTI-BILIOUS and INVIGORATING PROPERTIES.

LIPPMAN'S GREAT GERMAN BITTERS is composed of the purest alcoholic essence of Germany's favorite beverage, impregnated with the juices and extracts of rare herbs, roots and bark; all of which combined make it one of the best and surest preparations for the cure of

Will find LIPPMAN'S GREAT GERMAN BITTERS the best tonic known for the diseases to which they are generally subject, and where a gentle stimulant is recommended.

SAVANNAH, March 16, 1870.

Messrs. Jacob Lippman & Bro., Savannah, Ga.—GENTS: I have before me your esteemed offer of the 14th inst., containing various documents relative to your "German Bitters." After a careful examination I must confess that your Bitters is really what you represent it to be, an old German recipe of Dr. Mitchell, of Berlin, Prussia. It will no doubt be excellent for dyspepsia, general debility and nervous diseases, and is a good preventive of chills and fever. I find it to be a most delightful and pleasant stomachic. I remain yours truly, (Signed) AUG. F. WETTER.

The Great Medical Discovery!

Dr. WALKER'S CALIFORNIA VINEGAR BITTERS,

Hundreds of Thousands Bear testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

They are a Gentle Purgative as well as a Tonic, possess the peculiar virtue of acting as a purgative in the most delicate manner, and without the least inconvenience.

FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal. 27 Sent for a circular.

THEY ARE NOT A VILE FANCY DRINK.

Made of Pure Rum, Whiskey, Fruit Spirits and Refuse Liquors, distilled, aged and sweetened in place, called "Tonic Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and LIFE GIVING PRINCIPLE, a perfect Restorative and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to direction and remain long unwell.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia and Indigestion, Biliousness, Catarrh and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION. Headache, Pain in the Shoulders, Constipation, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Boils, Spots, Pimples, Pustules, Itch, Carbuncles, Ring Worms,
